

Year 5: Reminders

Our attendance is improving within school but we would like to remind all parents that it is important to schedule appointments outside of school hours. One afternoon missing from school, results in missing two sessions of education - every lesson counts in your child's education.

PE Day is Tuesday.

Homework

Spellings are given out on a Monday to learn for Friday.

Homework -there have been some requests for paper homework instead of online. From now on I will send home a sheet of Maths to match the lessons from the previous week and a VIPERS comprehension.

Reading books are changed weekly. Each child has a different day of the week. It is essential that you listen to your child read but also ask them questions about the text.

Year 5 Newsletter (Spring)

RE

The topics we are learning are **Mission, Memorial Sacrifice, Giving and Islam**

Maths

The topics we are learning are **Multiplication and Division, Fractions, Decimals and Percentages, Perimeter and Area and Statistics**
