Our Aims

We aim to provide a warm, safe, happy, responsible and well-ordered community in which the children can learn and be valued as individuals. We will seek to achieve this by:

- Promoting and treasuring Christ's values and the values of the Gospels through daily living and teaching.
- Providing an inclusive environment for all members of our school community, thus enabling equal opportunities to be practiced and fostered by all, regardless of age, gender, race, culture, faith, disability and social background.
- Ensuring that our curriculum is broad, balanced, relevant and suitably challenging and differentiated, to meet the learning needs of our children.
- Providing the best possible learning experiences both in and out of the classroom, thus ensuring our children have a social responsibility that encompasses both local and global responsibility in becoming true citizens.
- Creating an ethos where the efforts and achievements of children and staff are valued, celebrated and communicated through an atmosphere of praise, reward and fun.
- Fostering a genuine partnership between home, school, and parish, which is productive in supporting the interests of the child, and in enabling them to fulfil their educational and social potential.
- In this way we seek to work with parents to fulfil each child's intellectual, spiritual, moral, cultural and social development.
